BURNABY BOARD OF TRADE MEMBERS EXHIBITED THEIR PRODUCTS AND SERVICES AT THE 5TH ANNUAL BUSINESS CREATING BUSINESS TRADESHOW PRESENTED BY THE BURNABY NOW

Burnaby businesses agreed that the 5th Annual Business Creating Business Tradeshow was the best thus far. The event, presented by the Burnaby NOW, allowed attendees to connect with local businesses and encouraged exhibitors to showcase their products and services in a fun and interactive environment.

The event took place on May 13th at the Delta Burnaby Hotel and Conference Centre and featured a wide variety of local businesses.

"The Tradeshow surpassed my expectations in terms of business-to-business contacts" said Anne Whitmore, Personal Coach and Corporate Trainer for Divafish Communications.

Visitors to the Tradeshow said they were delighted with the venue's ample parking, accessibility and fantastic view of the mountains.

"We loved the location," said Stephanie Jung, Special Events Manager for

Westwood Plateau Golf and Country Club in Coquitlam. "It was our first time at the BCB Tradeshow and it reminded us that we need to step out of our community in the Tri-Cities area."

"I was really impressed by the collaborative and supportive atmosphere," said Gina Tolentino of HSBC, who appreciated the amount of direct contacts the event provided. "It was good in terms of exposure. We enjoyed meeting the other exhibitors."

The BCB Tradeshow is an annual event providing businesses with an opportunity to network in a comfortable, cooperative and focused setting.

The BBOT thanks its sponsors for their support: Burnaby NOW, Pacific Western Brewing, Business in Vancouver, HSBC, Encorp Pacific, Schmidt & Funk, and Delta Burnaby Hotel & Conference Centre.
